### **Employers & Public Liability**

The limit of indemnity under the Employers Liability section is €33 Million any one accident whilst the Public Liability section has a limit of €30 Million any one accident. The policy covers the legal liability of the Board of Management and the school arising from or connected with a School Related Activity subject always to the terms conditions and exclusions of the Custodian Schools Protection Policy.

The policy also extends to cover the legal liability of the Board of Management or School arising from or in any way associated with any Work Experience Schemes organised by the school or in which they participate. However if the work involves any of the undernoted then cover will only apply whilst the students are "Work Shadowing" only, i.e., observing how the work is performed from a position of safety:

Work in Motor Garages, Repair/Maintenance of electrical and Mechanical Machinery, Engineering work involving welding, Use of power driven woodworking machinery

The following activities are specifically excluded from the policy:

Radioactive/Atomic Energy Risks, Aviation Risks, Demolition, Tunnelling and Mining Risks Seaman or shipping risks, Tree felling or lopping, Work involving the use of scaffolding Internal/external work on buildings in excess of 20ft above floor/ground level, Use of motor vehicles

I trust the above information is to your satisfaction, however if you have any further queries please do not hesitate to contact the undersigned.

Yours sincerely
